# WineGB Sponsorship Opportunities: Cultivate Success

Put your business at the heart of the UK wine industry as a supporter of WineGB.

# Cultivate Success

WineGB is the trade association for the UK wine sector, representing the industry to the government, media, and trade.

At the heart of our work, we help members to **make** wine, **market** wine, and **tell** the story.

By supporting WineGB you can reach over **500** grower and producer members, which represents **over 70% of UK hectarage**, and access sales opportunities to help grow your business.

WINE GB

# About WineGB

WineGB represents, leads, and supports the sustainable growth of the Great British wine sector.

Provides knowledge, classification and data for the industry and wider trade.

Delivers and manages a sustainability scheme for a responsible sector.

ENGLISH  
WINE WEEK

Promotes the category to grow domestic and international markets.

Engages with government bodies for fairer business for the UK wine sector.

# Why Support WineGB?

Demonstrate insight and value to help build our members and our industry in these key areas:

Production

Sales

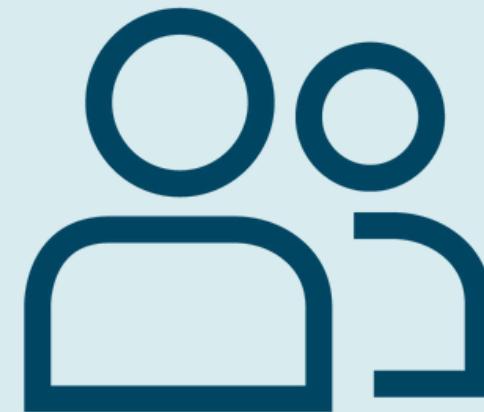

Advocacy

Knowledge

Cultivate your business's success.

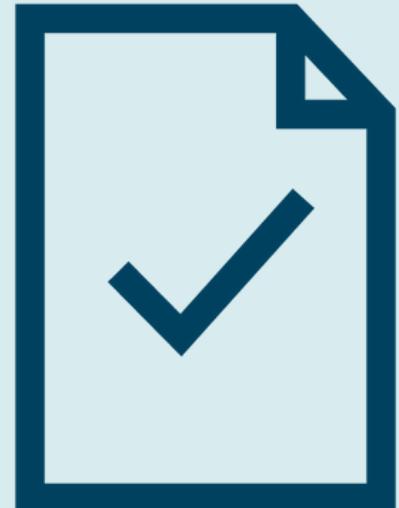

## Gain exclusive access to 500+ WineGB members.

From boutique to big we represent producers and growers across the whole of the UK. Demonstrate your value to them through direct mail, [The Grape Press Blog](#) and webinars.

# Why Support WineGB?

Cultivate your business's success.

## **Understand the sector from the inside.**

Gain a clearer idea of the issues and challenges our members face and how you could potentially solve them.

# Why Support WineGB?

Cultivate your business's success.

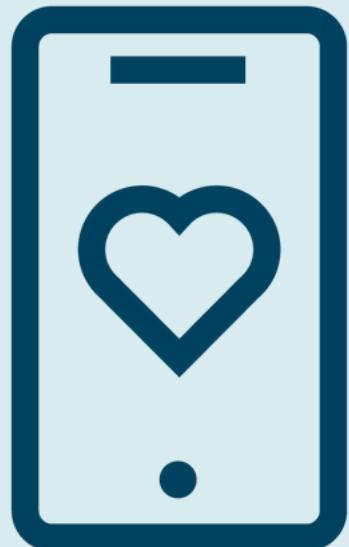

## Provide services for our growing sector.

Our members need a range of services from field to shelf.

Demonstrate your value to the sector in wine production, sales and marketing, hospitality, business and growth.

# Why Support WineGB?

Cultivate your business's success.

## **Network with producers and other supporters.**

Get connected with the UK wine industry through in-person regional and national events, which include our bi-annual conference, National Trade and Press Tasting, WineGB awards, Supporters Winter Party and our online forum.

# Align your brand with quality

The UK produces exceptional world class wines.

150+ English wines were awarded gold medal and above in national and international competitions in 2024 and 2025.

WINE GB

# Align with British brands

We make strategic partnerships with successful British brands and organisations.

By working with these icons, WineGB and producers showcase the category to domestic and international markets.

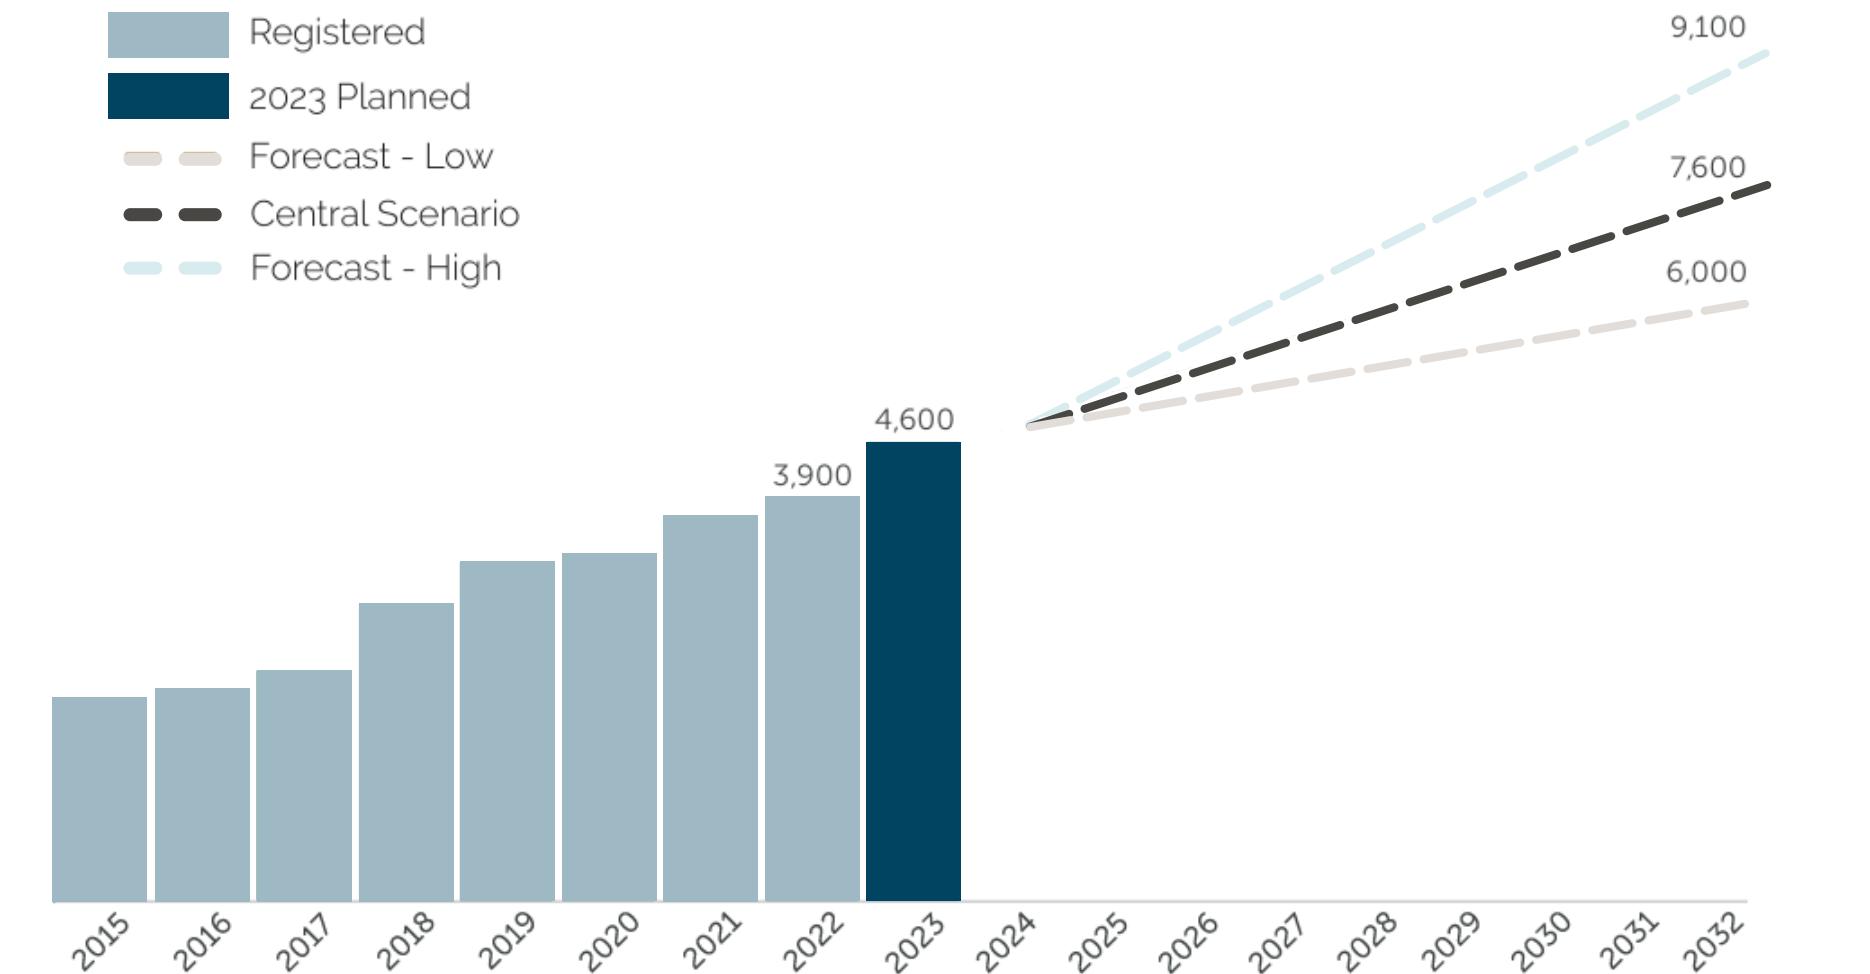

# UK Wine Industry

Vineyards are the fastest growing agricultural sector in the UK.

And we expect the sector to grow by a third over the next 5 years.

As a WineGB supporter you are part of a British success story in its most dynamic stage. Businesses uprate and remember early stage supporters, this is the best moment to step in before significant scale.

# UK Wine Industry

From production through to promotion there are numerous opportunities to get involved.

# Benefits to help your business grow

Choose from a range of partnerships to suit your business needs.

And enjoy a range of benefits including webinars, email blasts, social media collaborations and direct access to members only events.
